It's a CD-11 community meeting that we need to arrange to get agreement from the neighbors to erect golf nets along the newly added three-holes at Westchester Golf Course. The golfers are getting impatient with the modified tees and we're hoping to fix it all soon with the new nets.

Hi Don,
I have that Streetscape is using the community room on Sept 8th at night, but you are also using it on the 16th. Do you need the room on the 8th? Please let me know asap. I have another group that needs it on the 8th.
